Students will perform scenes on the final day.</p>

**THE PROGRAM**

The program is designed to introduce young actors to the language, stories, characters, and ideas in Shakespeare’s plays in imaginative and playful ways. Classes incorporating voice, movement, and acting enable students to explore Shakespeare’s text emotionally, physically, and intellectually. Students will then create a performance piece based on their experience of the play, which they will share with family, friends, and Company members on the final day of the session.

**\* In order to participate in Riotous Youth, your child must turn 7 years old by March 1, 2017. Additionally, they must be able to read, and should have had at least one year of full day school.**

**TRANSPORTATION**
