

# SHAKESPEARE & COMPANY

## Financial Assistance Request Information

### Financial Assistance Requirements:

- Complete and return the attached application.
- Provide appropriate documentation of your sources of income or any public assistance that you receive with the completed form.
- Please notify Shakespeare & Company immediately if you should experience a change in your income status. We can then make an appropriate adjustment to your financial assistance.

Applying for financial assistance does not automatically guarantee that we will be able to provide assistance. Assistance will be based on documented financial need and availability of designated resources for this purpose.

Financial aid is a time sensitive process. In order to have a space held for your child, the financial aid form and all appropriate documentation must be returned as soon as possible, no later than 30 days prior to the start of the program. We will reserve a space for your child until the financial aid determination is rendered. After receiving your completed application form and proper documentation, your request will be reviewed. A determination on your request will be made as soon as possible and you will be notified in writing.

If you need to speak to someone regarding your application, please call Jennie Jadow at 413-637-1199 ext. 108.

**PLEASE NOTE:** Shakespeare & Company's ability to provide financial assistance is made possible solely through generous contributions from local organizations and friends of the Company.
